Resolution of the Zilker Neighborhood Association Executive Committee Supporting the 2026 Prop I Calling for a Charter Amendment to Conduct a City Wide Audit

Adopted by ZNA's Executive Committee September 14, 2026

Whereas, due to post-Covid fiscal realities and the impact of new tax rules by the State Legislature, the city budget is in transition;

Whereas, this City Council has consistently spent funds with and without voter approval that have increased the city's level of debt;

Whereas, the City Council has increased both taxes and fees substantially during the past two years despite falling property values;

Whereas, the tax increase voted on by the public aka Prop Q failed by a wide margin last fall yet the City Council has continued to increase taxes and fees thereby reducing public trust in local government; now, therefore, be it

Resolved, That ZNA ExCom is in support of Prop I, the charter amendment to have a city wide audit that is transparent to the public.
